bringing a group to losOlivos

The benefits of bringing your own group

Spiritual Nurture: deepening the spiritual life of the group.

Developing relationships: a special time to bond and build community.

Having fun together: an opportunity to relax and enjoy table fellowship and other activities.

What we offer

Bringing a group is easy. As a group leader all you need to do is organise a group at your end and we will do the rest.

We can arrange and provide you any of the following services:

- > Group flights from the UK to Spain (through our exclusive partners World of Travel, based in London).
- > Group transfers to/from losOlivos.
- > Nine comfortable en-suite rooms and full board (breakfast, lunch, dinner and refreshments).
- > Daily worship in chapel led by the chaplain (morning & evening prayer, and/or Holy Communion).
- > Pastoral care for group members (including individual spiritual direction if required).
- > Retreat input (leading daily sessions and providing the structure and content for the day).
- > Optional activities as requested (guided walks, massage service, farming activities).

When booking a group you get

- > A free place (accommodation and full board) for the group leader (for groups of +10 people).
- > Up to a 25% discount for all on the standard tariff.
